Employers' Meet 2021

The 7th edition of the Employers' Meet with the theme '**Future of Work**' was conducted for the Civil and Mechanical Engineering students on **22nd May 2021**. The Civil event had panelists from companies such as **Embassy Group, L&T Construction, CMTI, JMC projects and Ajmal Estates** who interacted with students and helped them understand how they must upskill themselves in the present industrial scenario, while the Mechanical event had panelists from companies such as **Timken India, Ringfeder Power, ZF Wind Power, Robert Bosch, CISCO and TESLA** who also gave the students various insights in the field of Mechanical Engineering.

EMPLOYERS' MEET 2021: The 7th edition of the Employers' Meet with the theme '**Future of Work**' was conducted for the IT and Circuit branch students on **19th June 2021** and about 500 students were part of the events. The IT event had panelists from companies such as **Google, Netflix, Dun&Bradstreet, Epsilon, Accenture and Capgemini** who interacted with students and helped them understand how they have to upskill themselves in the present industrial scenario, while the Circuit event had panelists from companies such as **Cognizant, ARM, Amazon, Alteos and Infineon Tech** who also gave the students various insights in the core circuit field of engineering. The panel was a combination of senior industry practitioners and HR managers.
