Supplementary/Fast track semester is a special semester, and the student cannot demand it as a matter of right.

Registration of courses - Three days
Course work - Six weeks from the date of starting of registration
Examination- 9 days

Similarly, for courses from the 5th to the 8th semester, students can register for the supplementary semester after the 8th semester. To be eligible for the supplementary semester, students must have completed the required internships as per Institute/University Regulations and directions.
