CIRCULAR

As per the discussions held on 29-05-2023 with HoDs, Section Heads, and the Principal, we would like to inform that there have been changes regarding 4th internal assessment (IA) or improvement test for the 7th Semester B.E. students. The 4th IA/improvement test will not be conducted any more by the exam section. Instead, the test marks for all the courses will be solely decided by the average marks scored in IA-1, IA-2 and IA-3, respectively.

Therefore, the students are advised to attend IA-1, IA-2, and IA-3 tests and perform well in these tests to secure the marks effectively. For further clarification, if any, the students are advised to contact HoD or exam section. We appreciate your understanding and cooperation in adapting to these changes. Best wishes for the upcoming internal assessments.
