2019-20:

Technix3.0 is the yearly inter-departmental Technical fest organized by the Department of MCA on 5th Nov 2019. There were 7 events such as IT Quiz and coding, typathon, IT Hunt, video making, technical memes, paper presentation and stress manager. The organizing team divided themselves in different teams such as sponsor team, marketing team, art and craft team

The program started with IT Quiz consisting of 9 teams followed by inaugural function. Then following events were conducted such as typathon, IT Hunt, and stress manager, which were judged by the faculty members of the Department. One more interesting event was video making event where the student had shot the video of the entire event and edited it to play for 4 minutes by using video editing tool.

Principal's visit to the Department

Students involved in the events
