<b>Event Name</b>	<b>Online webinar</b>
<b>Topic</b>	<b>Fascinating superconductors</b>
<b>Date</b>	29-06-2020 from 10.30 am to 12.30 pm
<b>Speaker</b>	Dr.C.Pandurangappa, Associate Professor and HoD, Department of Physics, RNS Institute of Technology, Bangalore.
<b>Number of Participants benefited with this</b>	73 I year B.E students attended the webinar.
<b>Brief Report</b>	<p>The webinar was successfully organised on 29.06.2020 from 10.30 am to 12.30 pm for I year B.E students of BMSIT&amp;M. There are 73 students who have attended and benefited. The talk was delivered by Dr.C.Pandurangappa, from department of physics, RNSIT. The resource person explained well the fundamental aspects of superconductivity phenomenon and properties of these superconducting materials for various applications. He had enlightened the students about various applications of superconductivity such as Maglev, SQUIDS, MRI etc. On the whole this program received a lot of positive feedback from students and it paved the way for students to upgrade the knowledge.</p>
